# Innovations in Mechanical and Materials Engineering (IMME-2025)

28 Feb - 02 March, 2025

(Hybrid Mode)

Organized by

Department of Mechanical Engineering  
Motilal Nehru National Institute of Technology Allahabad  
Prayagraj- 211004, India

The IMME-2025: International Conference on Innovations in Mechanical and Materials Engineering aims to bring together leading academic scientists, researchers, engineers, and industrial professionals to exchange and share their experiences and research results about all aspects of Materials, Design, Manufacturing, Energy, Industrial Management and automation approach towards sustainable development. This conference provides the premier interdisciplinary forum to discuss the most recent innovations, trends and concerns, practical challenges encountered, and the solutions adopted in the field of Product Design, Manufacturing, and Energy management through keynote lectures and paper presentations.

### Conference Scope

Topics for IMME2025 include four different themes but are not limited to the following:

**Theme -1:** Materials and Design

**Theme - 2:** Energy and Environment

**Theme - 3:** Manufacturing Engineering

**Theme - 4:** Industrial Management and Automation

### Call for Papers

High-quality unpublished, original research contributions describing conceptual, constructive, experimental, analytical, and theoretical work toward sustainability and management are cordially invited to the conference. The full-length paper is restricted to a maximum of 8 pages, including figures, tables, references, etc. The template for the full paper is available at [www.imme2025.com/template](http://www.imme2025.com/template).
